D No 6914

Subject - Purchase of meters for the K G F Water Works

With reference to your letter No L 11647/M1 72-41-12 dated 16th June 1942 requesting to be intimated as to why orders for these meters were placed while the question of transferring an equal number of meters from the stock available at Chitaldrug was under consideration, I have the honour to state that the Sanitary Engineer in his letter No 1420 dated 10th March 1942 had proposed the transference of these meters to Bangalore Water Supply Division and Mysore City Municipality vide this Office letter No C 72-107 dated 23rd March 1942 In the meantime, since the revised estimate for Kathral Water Works was got up and sanction for the same was awaited, it was thought that in the event of permission being accorded for proceeding with the work and completing the same urgently, the meters might be utilised at Chitaldrug Under these circumstances orders were placed with the Secretary, Stores Purchase Committee, Bangalore, since the President, K G F Sanitary Board, Champion Reefs was pressing for the immediate supply of the meters

Under these circumstances, it is requested that sanction sought for for the purchase through the Stores Purchase Committee for 100 meters at a cost of Rs 4,412-8-0 may kindly be accorded The Secretary, Stores Purchase Committee, Bangalore has reminded the Sanitary Engineer for immediately arranging payment since the purchase is now a few months old As such kind sanction of Government may be obtained and communicated early
